Community-Based Connections

MARKHAM HEALTH & RESOURCE HUB

FUNDED BY:

COMMUNITY FOUNDATION OF BROWARD

BE BOLD

HUB REPORT

PURPOSE

Addressing the challenges in the community by providing community-based services and resources that promote equity, accessibility, and sustainability

OVERVIEW

- The goal is to build and uplift the residents of the Pompano area who live within the Markham Zone
- Barriers facing the community: lack of healthy food options, language barriers, high crime, poverty, lack of parental involvement
- Community-Based Connections brought on to engage partners in a way that positively impacts the community
- The overall goal is to increase academic, housing, employment, health, and food access needs outcomes

MARKHAM HEALTH & RESOURCE HUB WINS

WITHIN THE LAST YEAR,
WE'VE SERVICED
APPROXIMATELY 480
FAMILIES.

OF THOSE 480 FAMILIES...

- **700 children** from those families received Christmas toys
- **500 children** from those families received book bags
- **395 of those families** received boxes of food with nonperishable items and vegetables
- **90 of those families** received gas grills
- **32 children** from those families received a bike
- **214 individuals** received BP, BMI, and vision screenings, and
- **26 received Glucose checks** administered during last year's Winter Fest

MARKHAM HEALTH & RESOURCE HUB WINS

Family Strengthening Preservation

- Currently serving four families in Pompano
- All showed improvement in family functioning

A.D.A.M. (Awesome Dads, Awesome Men) Fatherhood Mentoring Program

- Currently serving 14 fathers in Pompano.
- Three have received help with CDLs
- One with childcare
- Three with housing and
- One with gaining custody of his child.

Beacon of Hope

- Currently serving six Pompano families
- Four have received housing assistance
- Two received assistance with securing childcare or aftercare
- One received a referral for therapy and
- One received a legal assistance referral.

Healing Space

- Serving 33 Pompano families
- 13 received housing assistance
- Six received childcare assistance
- 11 received therapy referrals
- 10 received access and/or referrals to food pantries
- Six received employment assistance and four received utility assistance.

SOCIAL DETERMINANTS OF HEALTH:

are the conditions in the environments where people are born, live, learn, work, play, worship, and age that affect a wide range of health, functioning, and quality-of-life outcomes and risks.

GOALS:

- EDUCATION:** → Increase academic performance and school engagement
- EMPLOYMENT** → Increase employment rates and income levels
- HEALTHCARE ACCESS** → Improve healthcare access and preventative care utilization
- HOUSING STABILITY** → Reduce housing instability and homelessness
- SOCIAL SUPPORT** → Strengthen social connections and support networks
