

The **HEART (Helping Every Area of Relationships Thrive) Family Strengthening Program** is a five-year initiative designed to help adults and couples strengthen relationships, improve parenting, and build family stability through workshops, personalized support, and services like childcare, transportation, and counseling.

- Relationship & Parenting Workshops (curriculum-based, at least 12 hours)
- Individualized Case Management & Goal Planning
- Wraparound support: childcare, transportation, mental health counseling
- Annual couples retreats & family-building events
- Job and career advancement support, in partnership with local organizations
- Support with co-parenting, communication, and conflict resolution
